ASBA Honors Distinguished Sports Facilities

Ellicott City, MD – The American Sports Builders Association (ASBA), the national organization for builders, designers and suppliers of materials for athletic facilities, has announced the winners of its annual awards. Awards are presented each year to facilities built by ASBA members, which best exemplify construction excellence. Awards are presented in various categories: Tennis Courts, Running Tracks, Sports Fields and Indoor Multi-Purpose Facilities. Within each category there are divisions; for example, the Tennis Court category recognizes facilities in Indoor, Residential and Outdoor divisions; additional honors were given in the 'Green' competition, for award-winning athletic facilities that used the most eco-friendly design, construction and operating techniques. Presentation of award plaques was made at the Technical Meeting, recently held in Palm Desert, California. Projects are scored individually based on considerations such as layout and design, site work, drainage, base construction, surface, amenities, innovation and overall impression. Winning entries are those whose cumulative scores meet or exceed the standard. This year saw an unprecedented number of entries in the competition.

Winning projects are as follows:

Distinguished Tennis Facilities

RESIDENTIAL TENNIS FACILITIES

Berce Residence

Frankville, Wisconsin

New Construction: Munson, Inc. (Glendale, Wisconsin)

Dr. Bourne Residence

Salt Lake City, Utah

Upgrade of Existing Facility: Tennis and Track Company (Salt Lake City, Utah)

INDOOR:

Indoor Running Track at SPIRE Institute

Geneva, Ohio

New Construction: Beynon Sports Surfaces, Inc. (Hunt Valley, Maryland)

SPORTS FIELD OF THE YEAR:

SINGLE FIELD FACILITY:

Softball Stadium Facility at Foothill College

Los Altos Hills, California

New Construction: Verde Design, Inc. (Santa Clara, California)

MULTI-FIELD FACILITY:

Vestavia Hills Sports Park

Vestavia Hills, Alabama

New Construction: Covington Flooring Company, Inc. (Birmingham, Alabama)

GREEN FACILITY OF THE YEAR:

Alexander Gusdorf Eco-Park, High Altitude Soccer Complex

Taos, New Mexico

New Construction: Living Designs Group Architects (Taos, New Mexico)

The ASBA is a non-profit association helping designers, builders, owners, operators and users understand quality sports facility construction. The ASBA sponsors informative meetings, publishes newsletters, books and technical construction guidelines for both tennis courts and running tracks, and keeps its members aware of the latest developments in the industry. It also offers voluntary certification programs in tennis court, running track and sports fields construction. Available at no charge is a listing of all publications offered by the Association, as well as the ASBA's Membership Directory. For information on the ASBA, as well as on its publications, activities and upcoming meetings, please contact the Association at 8480 Baltimore National Pike, Suite 307, Ellicott City, MD 21043. The toll-free phone number is 866-501-ASBA, the local number is 410-730-9595, and the fax number is 410-730-8833. The ASBA also may be reached electronically via its website: www.sportsbuilders.org, or via e-mail at info@sportsbuilders.org.
