

USTA Facility Forum

Hosted by USTA Northern Section

October 25, 2010

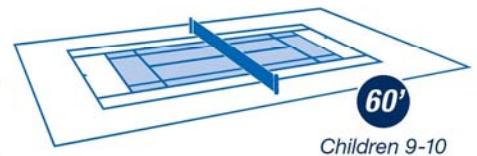

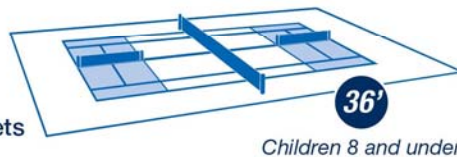

10:00 am - 4:00 pm

Hyatt Regency Hotel, 1300 Nicollet Mall, Minneapolis, MN 55403

USTA Northern is hosting a tennis facility forum in conjunction with the National Recreation & Park Association Congress & Exposition. National guest speakers will cover a variety of topics relevant to the successful planning, construction, and operations of a modern day tennis facility.

One topic of discussion will be 10 and Under Tennis using the QuickStart Tennis play format. In a decision that will fundamentally change the future landscape of tennis in the United States, the USTA has passed an amendment to mandate that all 10 and Under Tennis tournaments be played using the following:

- Smaller courts with lower nets
- Lighter and lower-bouncing balls
- Smaller and lighter racquets adjusted to a child's size

This new play format makes it easier for kids to pick up a racquet and have fun right away – even if they've never played before. Bring 10 and Under Tennis to your facility today and watch your profits grow as you'll get more kids in the game - and keep them coming back!

Cost: \$30 for USTA Organization Members or \$50 for non-members

Includes: forum admission, materials, Tennis Courts: A Construction and Maintenance Manual and lunch

Registration Deadline: October 12, 2010. Space is limited.
